- Please understand that all correspondence regarding your loan will be through email unless otherwise specified at [library@slingbabies.org](mailto:library@slingbabies.org).

I \_\_\_\_\_ have read and accept the above information regarding BWI's Lending Library program. I understand that I will only be reimbursed my full deposit if I return the library items within 1 months time from pick without stains and undamaged. I understand that it is my responsibility to return the item on time. In exchange for permission to use the lending library carriers, I agree that I assume the risk of using such items. I release, hold harmless, and promise to indemnify and not to sue BWI, or their agents (collectively, the "Releasees") from and for any claims that I, my child, or my children may have as a result of participating in the lending library of the BWI, including but not limited to damages resulting from the Releasees' negligence, defective sling/carriers and improper use.
